

CORPORATE PROFILE

Betance Enterprises, Inc. (Betance) is a Minority Owned (Hispanic), SBA 8(a) Certified, and a Verified Service Disabled Veteran Small Business (SDVOSB). Established in 2005, Betance is a rapidly growing construction company that has been delivering quality construction projects for over eight (8) years to Federal clients throughout the United States. Betance has performed concurrent task orders for multiple contracts, completing over \$40 million dollars in multi-disciplined renovation construction projects for various Federal agencies over the last three (3) years.

A “Go To” contractor with the ability to “Get the Job Done”, our team brings a vast amount of construction, project management, technical consulting, and team building experience to any renovation, design/build project, construction management, or acquisition requirements team.
